FROM KARL

Week 9 is on us and the end of term cause in the fight against cancer. I would prove to be busy for everyone. I would like to show my appreciation to all the families who have donated online already.

Neill Primary School who really turned on the weather. A great turnout by families helped create an enjoyable atmosphere for beach fun and games and a little bit of competition. While the races were great to watch two highlights had to be the dress up relay and the tug of war. Watching the students race between cones dressed in an oversized inflatable unicorn wearing oversized thongs and sunglasses was priceless. The tug of war brought out the parents to attempt to teach their children a life lesson, resulted in the students with the last laugh and bragging rights. A great day in all.

Looking forward we are closing in on Colour Run day where Ungarra students are fundraising for Run DIPG, a worthy

I would like to throw the spotlight onto Ungarra Primary Schools' support of our external music providers. Rachel Telfer has volunteered her time to support our handful of very eager singers in voluntary choir sessions. Students are developing literacy and music skills, reading and understanding sheets of music and practising their voice control. I am eagerly looking forward to their first presentation at our assembly. Rose continues to deliver quality piano tutorials for many of our students and we look forward to showcasing the students' abilities and growth at upcoming events. Our new comer to the group is Allyce who currently teaches guitar and ukulele to four students. They recently presented at an assembly and I was proud to see the students challenging themselves in a new way. PTO

WHAT'S ON THIS TERM? DATES

PRINCIPAL'S REPORT CONT.

Thank you to all the families who have continued to support their children's learning by participating in last week's Parent / Teacher conferences. For those families who were unable to attend, please seek opportunities to communicate regularly with teachers to share the positive learning taking place.

UNGARRA PLAYCENTRE

with Laura Bates Term 1 - week 8 & 9 - 2021

Last few weeks at Playcentre we decorated butterflies and focused on Easter. We decorated Easter eggs and the three girls that stayed in afternoon helped create some Easter baskets that we can decorate next week. I brought in some Agapanthus plants which the kids helped plant and water to beautify our yard.

Also a reminder, next week will be our last week at playcentre with Easter the following Monday so it will just be a morning session as Laura needs to prepare for next term.

Laura

SCHOOL AND COMMUNITY NEWS

Massive thanks to Andrew & Sue who have been working with student during kitchen lessons making Bratwurst Sausages and Kranskies for the past two week in readiness for our COLOUR RUN.

kids sewing/craft lessons:
