With term 3 coming to a close it is a great opportunity to reflect on the term just passed.

The term started with a reminder that South Australia still needed to be aware of Covid with students and families once again experiencing a short stint of learning from home. I enjoyed seeing the students who were able to ZOOM in for our story time session.

Students experienced several summative assessments this term with both PAT Maths and PAT Reading being completed as well as the year 1 Phonics screening. It was satisfying to see the hard work students, families and staff have been doing show with many students demonstrating growth from 2020 to 2021.

Students enjoyed their learning applied while working with their farming plots and seeing the progress they have made as well as on their excursion to Koppio Museum, comparing historical farming to modern day technologies.

Book Week was another highlight with students and staff dressing up to celebrate Old Worlds, New Worlds and Other Worlds and all the stories included in this theme. So many wonderful costumes that put smiles on everyone's faces, except maybe the parents who were up to all hours building them.

SAPSASA soccer saw our students representing their school community once again with one of our students playing on the championship team for her division. All the students represented the school with the drive that we have come to expect for UPS students.

The Teddy Bear picnic was finally achieved and a great turn out by parents of young children in our area. It was great to see so many parents voice their appreciation of the work staff and students put in to make the day so special. Children loved the Flower pots, ball games, dinosaur egg hunt, shared story, Bear Hunt activity and the pizza lunch. Thanks again to staff and Mel Quinn for making the day a success.

I wish all families a safe and relaxing holiday and look forward to the return of everyone in term 4.

2021 L.E.P. SAPSASA SOCCER

"In week 7 Laruen, Ben , Hunter and I got to go to Adelaide to represent our school and Lower Eyre Peninsula in SAPSASA Soccer. My team came third in the year 5/6 division. It was an incredible experience because we got to meet new people, learn new skills and go to Adelaide. I was so excited to get this opportunity because it is my last year to do any of these SAPSASA sports."

SOCCER

"Lauren, Hunter, Ashlee and I went to SAPSASA Soccer to represent Ungarra. The LEP year 7 boys team didn't win a game but I gained a lot of experience out of it. I made some new friends and gained some new skills." Ben Baines

"In week 7 Ben, Hunter, Ashlee and I had to go to Adelaide to represent Ungarra and the Lower Eyre Peninsula in SAPSASA Soccer. I was in the year seven team and in Division 1. I had to play eight games in total, winning 7 and having a draw. In the end my team won the carnival. I am grateful that my parents drove me down and it was a lot of fun playing with the team."

Lauren Franklin

"SAPSASA was super fun. I enjoyed the trip and the amazing experience with different players and teams and having played at a higher level but not as high as Country Champs. We came third in my division and I scored three goals over the whole tournament. It was a great experience and I loved it. I hope I can go further in my soccer and I loved representing my school." UNGARRA PLAYCENTRE WEEKS 8-9 TERM 3 2021

Week 8: Last Monday we had the long anticipated Teddy Bear Picnic and it was a beautiful and successful day!

The parents and kids came to Playcentre at 10am to make their teddy bear ears and Mr Robst welcomed them with a teddy bear bag and a map of the school. Then some of the kids and parents decorated cookies in the kitchen while others explored the school class rooms and played in mud kitchen.

After this we had a interactive story time on the white board in the library, then went back out for a teddy bear picnic of fruit and cookies. After morning tea we dug for dinosaur eggs in sandpit and then made pot plants in the garden.

The Great Bear Hunt was next, with Allyce and Eden playing the guitars and singing "Going on a Bear Hunt" as we went through the wavy grass, waded through the river, stepped through the mud, stumble tripped through the garden forest with the animals, shivered through the snow storm, before creeping up to the cave and getting chased by the bear back through all the stations. Luckily we got back safe to the middle of the school!

This was followed by a delicious pizza lunch cooked by Lisa and the school kids. An amazing Teddy Bear Picnic day was had by all!

Week 9: This week we were focusing on making music. We made shakers and kazoos using toilet rolls and grain inside and decorated them with patterned paper and stickers.

The girls wanted to do a puppet show, so we transformed the play kitchen into a puppet show and they entertained me in the afternoon

SCHOOL PARENTS' SURVEY

The Department emailed directly to parents the 2021 School Parent Engagement Survey. We encourage parents to fill it out as it is useful feedback for how we can improve our practice in delivering quality teaching and learning at Ungarra Primary School. The survey can be accessed at: <https://www.education.sa.gov.au/parentsurvey>

Message from Sharon who was away on long service leave....

“Little Bear was up early and packed his bags ready for the great Teddy Bear Picnic. He was very disappointed when I told him we would not make it home in time.”

MONDAY LUNCH ROSTER

WEEK/DATE	MENU	WHO
Week 9—13th Sept	Toasties	Karen
Week 10—20th Sept	Soup	Eden

Thankyou to parents who have kindly volunteered. Please be available to prep, serve and tidy up from 12.30 - 1.30pm. Others please arrange what you may need and give your docket to Sue.

The Enterprise Committee have the following produce available for online sale.

Simply message the school with your order. The kids will then do you up an invoice which can be paid for online. This will avoid them handling money at this time. We will send the goodies home with the kids or if necessary can be collected from the front office.
