Reflecting on our student learning over the previous 3 years has been at the front of my mind as our school prepares for the External School Review next week. The positive change to students' reading, writing and mathematics as well as their investigations throughout the curriculum have been obvious to see. Staff were fortunate to visit Paracombe, Blair Athol and Echunga schools last week where we spoke with staff on a similar journey of improvement and shared good practice that would build student agency for their learning and reflect on the best practices for differentiating learning for students in multi-year level classes. Blair Athol also had a successful Kitchen Garden program where we gained insight to how they managed their program and extended it into class and curriculum investigations and projects.

Moving forward we continue to negotiate a busy term with the junior primary sleep over this week followed next week by the Play Centre's excursion to Glen Forest Animal Park. I thank Laura and our Playcentre parents for their continued patience while we await our new swing to arrive, and the families have adjusted very well to the outside learning taking place each Monday.

Our External School review is on Thursday and thank you to the parents who have "volunteered" to speak with our review panel. If other parents would like to share their experience of our school at this time, please contact me.

We are also fortunate to have Rick Perse (Chief Executive) visiting Ungarra Primary School on Monday 22nd November. At this time he will visit Playcentre and classes, speaking with students and staff and witnessing the learning taking place at our school. To accommodate this visit and to show all aspects of learning at Ungarra PS, some changes to cooking lessons may occur this week.

I know we are also looking forward to the Christmas Concert, Bike-a-thon and PLHS Pantomime excursion. Further information will come home for these events soon. **Regards Karl Robst**

DIARY DATES

Thurs 11th Nov	Remembrance Day
Fri Nov 12th	JP Sleepover
Mon. Nov 15-19	Cummins Transition
Tues. Nov 16th	Kindy-Sch Trans 9-12
Thurs. Nov 18th	SCHOOL REVIEW
Mon. 22nd Nov	Education Chief Executive visit
Tues Nov 23rd	Kindy-Sch trans. All day
Wed. 24th Nov	TBAS Yr 6 Trans.
Fri. 26th Nov	Bike-a-thon
Tues. Nov 30th	Cummins Yr 6 Trans.
Friday Dec 3rd	PLHS Pantomime 11am
Tues. Dec 7th	SCHOOL CONCERT
Wed Dec 8th	STUDENT FREE DAY
Fri. Dec 10th	LAST DAY, 2.30 dismissal

Yesterday the school participated in a Wellbeing excursion to Arno Bay to mark the one year anniversary of the passing of our friend and fellow student Tex Charlton.

Our thoughts are with his family today and always.

UNGARRA PLAYCENTRE WEEKS 4-5 TERM 4 2021

Today we had Playcentre outside on the lawn in front of the kitchen due to the work being done outside our building.

We had our Playcentre photos taken by Sue which was much appreciated.

The kids enjoyed water play, bubble painting, mud kitchen and playing in the sandpit bunker which was built by the school kids.

This week we had another lovely morning outside on the lawn area.

The kids had fun building block towers, playing in the mud kitchen, jumping on the trampoline (Thanks to John and Janet for fixing) and skipping.

In the afternoon we did some gymnastics with the balls on the oval.

BOWLING AT PORT NEILL

Our neighbours Kym and Janet Shepherd taught us to play bowls.

They told us that the little circle goes on the inside when you bowl it.

They told us some rules like no running on the green and not to drop the bowl as these can all dent the carpet mat.

My favourite games were "Put the Sheep in the Pen" and "Footy Goals."

I'd never bowled before. The sheep one was pretty easy but the target one was hard to bowl so softy.

Levi Charlton

Let's all be bucket fillers not dippers

We played "Put The Sheep in the Pen". We had to try to hit the bowls at the front but not too hard otherwise they would go out of the pen. You got three points if you hit two of the front bowls and kept in the pen or two points if you only hit one.

Occasionally you could go right between the bowls and not get any points.

It was good to understand the technique of bowling.

Ben Baines

It was fun to learn something different and new because I haven't done much bowling before. I love how we had to try to hit the highest score. I found it interesting to try and get the right amount of pace and curve. I did pretty well.

It was a great fun and enjoyable to have a day next to the beach.

Hunter Smith

At bowls I was the only one in my group that got one in the hoop. We tried hard to get the most points but it was difficult to get them to stay in the hoops. If you put the lawn bowls the wrong way it will go the opposite way to what you wanted.

I had never done it before—it was my first try. It was fun but it was also hot.

When we weren't bowling we went on the playground.

ARNO BAY EXCURSION

SAPSASA GIRLS CRICKET

In week 4 of term 4 I went to Adelaide to compete in SAPSASA Girl's Cricket. It was my first experience.

Our team was North West Country and it was made up people from all over the EP.

There were 8 teams in the competition and we played 7 games. We won a couple of games but it was really fun to meet new people. Bowling is my favourite part of cricket and I took a wicket in most of the games.

Marika Telfer—Year 7.
