## PRINCIPAL'S REPORT

I am pleased to announce that I have been successful in winning a 5-year position as Principal of Ungarra Primary School. I am so grateful and thankful for the opportunity to lead this fantastic school for this tenure. I have high expectations that we can continue improvement for all of our students and increase the already high reputation that the school holds. I have appreciated the support of the staff, students and parents during the Acting Principal tenure and looking forward to working collaboratively together long term.

Thank you to Mr Karl Robst for the smooth transition he provided me moving into the role. During his farewell 2 weeks ago, his legacy of providing a positive and enjoyable school environment shone through in speeches provided by Henri, Alfie and Justin. Thank you to all the parents who helped make pizzas and joined in with classroom activities. It was great having you on site for this special occasion.

Congratulations to Kelly Robinson who is Acting Principal of Port Neill Primary School until Wednesday next week. Kelly has capably stepped up in this role at UPS before and is a terrific opportunity to lead at another site. Laura Smith will be taking the Junior Primary Class during this time.

Rory Hunt, Principal

Thank you for the continued efforts to follow COVID protocols and keep students home when displaying symptoms of illness. I also appreciate the prompt notification of any COVID cases within our school community. All the best with your health across the winter months.

A reminder that Friday is a Student Free Day.

A big thanks to Parents and Friends for the delicious Pizza Lunch and for Karl's official, if not belated, farewell from his 2021 Principal role at Ungarra

We'll make a cook out of you yet Rory!

On Sunday, we drove to Adelaide in preparation for the SAPSASA footy carnival that was on Monday, Tuesday and Wednesday.

On Monday we arrived at West Beach to heavy rain and strong wind, which was not great for playing or watching footy. After getting our guernseys and warming up, we played our first game against Gawler and we won easily with everyone contributing. We went on to win the rest of the games for day 1.

After the football, the whole team went to the Beach House for a team bonding time. It was fun to get to know everyone better.

The weather on Tuesday continued to be wet and windy, making it hard to play football. Again, we had 3 easy wins without getting a goal scored against us.

On Wednesday, the weather had cleared up and the sun was shining. Our first game we played Barossa and Light, who were the best team. We ended up beating them by 1 point, which was very exciting, and after that we won another two easy games.

In the end we won the whole carnival undefeated. It was a good time and an amazing experience. I really loved it.
