Farewell and  
Thank You Lynda  
for your work in  
the JP classroom  
this year

**PRINCIPAL'S REPORT** It has been such a positive year of academic performance, engaging learning and plenty of fun at Ungarra Primary School in 2022. I want to acknowledge our students, staff and parent community for all your efforts across the year. It is truly an amazing community to be a part of and I look forward to students continuing to prosper next year and beyond.

Our end of year concert was such a great occasion which I hope you all enjoyed. I was very proud of all the students for learning their parts across the week and performing so well on the night. Theatre Bugs staff, Alicia and Laura were very impressed with the students positive attitudes throughout the week. Thank you to Theatre Bugs, staff, parents and Nicole for all your efforts in preparing for the concert. Congratulations to all award winners and our school leavers Piper, Henri, Alli, Tahnee and Alfie.

A huge thank you to Rebecca Palmer for the mural that she painted on a volunteer basis. I know that this has taken many hours of work and we all appreciate it. The mural opening event was a great occasion to marvel at the wonderful piece of art that you created. Thank you to Sasha, Sofia and Tammy for producing our end of school magazine. Please put in your orders via Class Dojo and these will be ready to collect in the new school year.

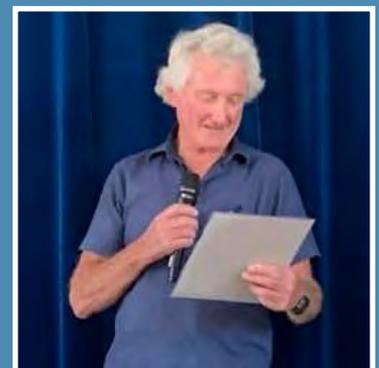

Rory Hunt, Principal

Farewell to Lynda Harvey. We have loved having you as part of our school community and you have fitted in so well. Your kind nature and ability to keep challenging students with their learning has been much appreciated. We will miss you and you are welcome to visit anytime. **MERRY CHRISTMAS EVERYONE**

# UNGARRA PLAYCENTRE \* T 4 \* WEEK 9 \* 2022

At the end of Term 3 2022, the Playcentre community brainstormed improvements that could be implemented within the yard to enhance the aesthetics and create additional play spaces for children. A key part of Playcentre that was identified to be needing a revamp was the mural that lined the shed. Whilst the existing mural was still a gorgeous addition to the yard, fading was beginning to occur. We were lucky enough to have a very talented artist among us who was able and willing to take on this massive project.

Simply put, what a wonderful job Rebecca Palmer has done. Rebecca has managed to create the masterpiece amongst the weather, family commitments, and a crazy time of the year all while having Playcentre children assisting in the process.

The mural is vibrant in colour and meaning, and is inspired by the beautiful landscape, colours and hills surrounding Ungarra. The mural reflects the growth of Playcentre children with the love and care from nurturing bodies. The mural perfectly captures and showcases Ungarra in all its beauty.

Have a wonderful Christmas and New Year everyone and I will see you all after the holidays. Georgia

## SPORTING SCHOOLS - TABLE TENNIS

Barry Hancock and his assistant Bev offered students some introductory coaching in Port Lincoln on Tuesday which they loved.

Barry offers very inexpensive coaching sessions in Port Lincoln all year round. If you'd like to take advantage of these during the holidays you can call him on 0459 330 444.

Then on Wednesday we were lucky enough to have Isaac Telfer and Richard Hennell further hone students' skills and play a demonstration match.

Pretty sure some of our kids would be stoked with a table tennis table for Christmas.
