Diary Dates

JUNE 12 King's Birthday Holiday

Welcome to Abbey Bates who is doing her teaching placement in the Year 3-6 class over the next 6 weeks. She has already made a great impression by using her initiative and building relationships with the students and staff. Best of luck Abbey.

Congratulations to Flynn, Freya and Finn for representing our school in the Lower Eyre Peninsula Cross Country last week. All three students finished in the top half of their races and did so in quick time! Thank you Eden for bringing the students to the event and cheering them on.

It was also a great outing at the LEP Basketball Competition on Tuesday. Our Year 5/6 students improved throughout the day and despite the one draw and three losses competed well and were good sports. Thank you to Aimee-Lee for transporting students and umpiring. Thank you to Jarrad Bates for scoring.

As staff we have met to review positive behaviour for learning. Each week we will focus on a behaviour for the students to work on. This week students are aiming to follow an aspect of our school values. Respect - Respond appropriately to teachers and peers. Those who are doing this well will be receiving stickers and those needing a reminder of the preferred behaviour will get a red alert.

It has been encouraging to see some quality writing occurring in classrooms. The upper primary class have been focussing on persuasive writing with topics of sustainability and environment. The junior primary class have been focussing on creating interesting narratives and using correct sentence structure.

WELCOME BACK ABBEY BATES

MEET THE PRE-SERVICE TEACHER

Nice to Meet You!

Hi! My name is Abbey Bates and i am a third year pre-service teacher at the University of South Australia.

A little about me...

- I play netball for Ramblers and tennis for Tumby Bay.
- I grew up on a sheep and cropping **farm**, 10 minutes from Ungarra.
- I work as an SSO at Port Lincoln Primary School.
- My favourite way to spend my holidays is at the beach or at our river house, on the Murray River.
- I have been educated at **Ungarra Primary School**, St. Josephs School, and most recently graduated from Walford Anglican School for Girls, where i was a boarding student.

When will i be in the classroom?

I will be in your classroom for 6 weeks, from Thursday week 2 (11th May) to the end of week 8!

Why i want to be a Teacher...

- To make a positive impact in children's lives
- To teach fundamental, life-long skills
- To inspire and motivate children to reach their full potential

2023 Gardening Report from Sue

Wow! What a busy term one we had in the garden; it may have even been our most bountiful and productive ever. The tree cage is certainly doing its job as we have picked a huge amount of fruit this year with lots of different varieties. Even the vegies were pretty good too.

We are loving the hot house and look forward to the vegies it will produce.

Early next term we will be clearing out beds and getting our winter veg in, hopefully things will be a little less hectic in garden lesson as the fruit is slowing down, though there is still a good selection if you go foraging.
