A big thanks to our amazing parents for their food prep today for our SALA fundraising event next Friday night

During NAIDOC Week, our school proudly celebrated the rich culture, history, and achievements of Aboriginal and Torres Strait Islander peoples. The highlight of the week was the memorable cookout event, where we were honoured to have Josh Harvey share his knowledge, artefacts and traditions with us. The cookout featured traditional Indigenous foods and activities that allowed our students to gain a deeper appreciation for the significance of NAIDOC Week. Thanks to Josh and Lynette Harvey for making this special day possible.

Our students showcased their soccer skills and sportsmanship during the Year 3-6 Soccer Carnival, held at Tumby Bay Area School. It was a day filled with friendly competition, teamwork, and lots of cheers from our enthusiastic coaches and classmates.

The grand opening of the Food Ladder Greenhouse was a terrific occasion for our school community. We were honoured to have Roger Snodgrass, who has his own aquaponic greenhouse and advocate for sustainable practices, as our guest speaker. Thank you again to all the community members who made this project possible. The greenhouse is thriving!!!

We welcome Shannon Jeffrey for her 8-week teaching placement in the JP class. We look forward to you bringing your unique skills, passion, and dedication to the classroom. Your fresh perspectives and enthusiasm will undoubtedly enrich the learning experiences of our students.

I am delighted to announce that, thanks to the collective efforts of our school community, we have raised substantial funds toward the new playground. The outpouring of support from both local businesses and generous individuals has been truly heartwarming.

# PRINCIPAL'S REPORTS CONT.

I want to extend a special acknowledgment to the Parent and Friends Committee and the Playground Committee for their unwavering dedication and tremendous work in spearheading this fundraising initiative.

The highlight of our fundraising journey has undoubtedly been the overwhelming success of the online auction, which has taken the community by storm! This initiative would not have been possible without the exceptional efforts of Alicia, Rachel, Rebecca, and Nicole. Their hard work and determination in reaching out to businesses for donations have been instrumental in making this auction a resounding success. Nicole, in particular, has done a truly fantastic job in running the auction on Facebook. Thanks to her, the online auction has gone viral, reaching a wider audience and generating more interest than we could have ever imagined.

I encourage all parents and community members to continue supporting our fundraising efforts in any way they can. Every contribution, big or small, makes a significant difference and brings us closer to our goal. Please promote our major fundraising event "The Banquet" to family and friends and purchase tickets now so we can gather more accurate catering numbers.

I would like to express my appreciation to everyone who has been involved in this project, especially Rebecca Nowikow who has been working tirelessly on our fundraising campaign for many months. Your dedication, kindness, and commitment to the betterment of our school community has been truly inspiring. Let's continue to work together and make our dream playground a reality!

Wishing you all a fantastic term ahead!

Warm regards,

Rory Hunt

## MEET THE PRAC TEACHER

**Miss Shannon Jeffrey**

Hi, my name is Shannon Jeffrey and I thought I would write a little note so you can get to know me, as I will be in your child's class for the next 8 weeks (24th July to 15th September).

### CONTACT

If you would like to contact me at all on my time here feel free to via the school.

### MY GOALS

I hope to make a positive impact in the classroom and on the student's learning journey as a whole. I want to build a relationship with all students, where they feel comfortable to reach out for help in lessons or to just have a conversation about something they like! I am excited for the challenge in teaching a range of young year levels.

### ABOUT ME

I live in Cowell, and I am currently working as an SSO in Cleve. I am in the final year of my degree in primary teaching through Charles Darwin University and am excited to complete my final placement at Ungarra Primary School.

### SOME OF MY INTERESTS

I enjoy playing netball, reading, going to the gym, camping, and spending time with friends and family.
