## PRINCIPALS REPORT

Dear Families,

I hope you all enjoyed the holiday break. During the break it was great to have Monty Charlton represent the school and lay a wreath at the ANZAC Day service and pleasing to have some other students in attendance for this important event. Thank you, Monty.

Thank you to the staff and parents for looking after our chooks and ducks in the holidays. I am very grateful for the support of our school community.

This week we welcome Zarli from Cleve for her Year 9 Work Experience. So far we have been impressed with her professionalism and willingness to help out, whilst learning what it takes to be an educator. We will also welcome Sharlee D'Agostini who will be doing her third year teaching placement with the Junior Primary Class from Week 2 to Week 8. Best of luck to Sharlee.

It is pleasing to have 6 willing students keen to run long distance at the LEP Cross Country Day in Port Lincoln next Friday. We will also be having our own Mini Marathon on Wednesday 21st May with fruit cups and fruit boxes sold as an UP Enterprise Fundraiser.

Another exciting opportunity is First Aid in Schools will be visiting our site along with the Port Neill students next Thursday. The students will be learning very important first aid skills. While on first aid, there is a defibrillator installed in the front office in case of an emergency.

Thank you to the P and F team for organising the canteen fundraiser. We really appreciate you listening to student voice and providing us with this opportunity which has been well supported by families.

Looking forward to the term ahead with plenty of purposeful learning for our students. Please check out important dates on the school calendar especially the student free day on Friday Week 3 (May 16th) which will allow staff to hone in on the new SA Curriculum.

Kind Regards,  
Rory Hunt
