The latest news from Ungarra Primary School

Dear Ungarra Primary School Community,

PRINCIPALS REPORT

PAT Assessments

PAT (Progressive Achievement Tests) will be held next week for Year 1-6 students. The data from the assessments will help us monitor student growth in reading and mathematics. These results give teachers valuable insights for targeted teaching and empower students and families to set goals together.

Facilities Upgrades

We are excited to announce the installation of two new 86-inch interactive boards in our classrooms, thanks to the FRRR Telstra Connected Communities Grant. These will enhance learning in the classroom and also serve as valuable digital resources for community meetings and workshops. The old display screens are being repurposed for the playcentre and kitchen. A special thank you to Justin, Alex, and Jon for their work in installing these screens and for laying the concrete for our new garden shed.

Book Week Success

Book Week continues to impress with fantastic costumes and well-deserved recognition of reading achievements across the school. The JP class had an exciting engagement with Whizz and Andy Lee, creator of the "Do Not Open This Book" series. Please continue encouraging your children to read. Daily reading at home can improve academic performance by up to 20%.

Sporting Achievements

We are very proud of our students' efforts and sportsmanship at the touch football carnival. The girls' team performed exceptionally well, finishing second overall, while the boys showed great determination and secured a win. Our older students displayed outstanding leadership, and our younger students courageously stepped up to compete with older students. Special acknowledgement goes to Illiana and Taleah who received a Values Award for demonstrating outstanding sportsmanship and playing in the boys team. Congratulations and best of luck to Scarlett as she participates in SAPSASA Athletics this week in running, relay and discus.

Community Events

We look forward to catching up with all fathers and special visitors at the FRRR Growing Well Grant event on Friday. Thank you to FRRR for their continued support, and to Rachel Fuller for her coordination. Keep up to date with our calendar and Dojo Events, including the exciting UP camp which is fast approaching! Happy Father's Day to all you wonderful fathers!

Kind regards,

Rory Hunt

RESPECT • RESILIENCE • ACHIEVEMENT • INTEGRITY

BOOK

WEEK

VALUE FOCUS: Integrity

Logan

Demonstrating the importance of treating others as she would like to be treated by always being so willing to help her classmates.

Hugo

Consistently showing a positive attitude and Kindness to everyone around her, warmly welcoming new students, and upholding the value of treating others as she would like to be treated.

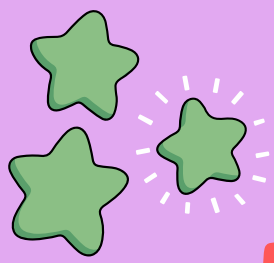

Dane

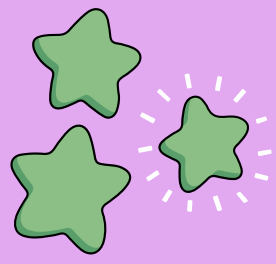

Being a respectful learner, by following instructions and modelling how to be a good listener.

Taleah

Demonstrating a positive attitude towards her learning and for having a go.

Playcentre Happenings!

What a busy and fun-filled couple of weeks we have had at Playcentre.

On Monday, August 24th, we celebrated Book Week by dressing up! We got to join in with the School parade and show what we had dressed up as. Well done to Rita, who won the prize for best dressed!

Back at Playcentre we kept the book theme going, with bookmark making, paper plate fish from Dr. Seuss and designing our own book covers.

The afternoon session children learnt about the different parts of a book and then created their own stories. It was lovely to welcome Sylvie Harris to our afternoon sessions.

This week we were busy making things for our Dads and special people in our lives.

Thanks also to Shelby for bringing in her baby chicks for us to have a look at!

SAVE THE DATE!
